INTRODUCTION TO THE RIVERSIDE HOTEL

5 MINUTES FROM THE CITY ... AN ESCAPE BY THE RIVER

Nestled along the scenic banks of the Umgeni River in Durban North, The Riverside Hotel seamlessly combines corporate convenience with a tranquil resort lifestyle. Perfectly positioned just 20 minutes from King Shaka International Airport and 5 minutes from Durban city centre, the property serves as an ideal destination for both business gatherings and coastal getaways.

The hotel offers 168 thoughtfully designed bedrooms and suites, each equipped with en-suite bathrooms, air conditioning, and convenient kitchenette facilities. Whether staying for a quick overnight business trip or an extended holiday, guests enjoy comfort and convenience tailored to their every need.

Guests can enjoy complimentary Wi-Fi and parking throughout their stay, making it easy to stay connected and travel with peace of mind.

For corporate events and grand occasions, the hotel boasts state-of-the-art conference facilities conveniently located opposite the main entrance. Featuring adaptable layouts, from focused executive boardrooms to venues capable of hosting up to 250 guests, the facilities easily accommodate workshops, banquets, seminars, meetings, and special occasions.

Culinary highlights await at The Riverside Grill, where exceptional local and international flavours come together in an inviting atmosphere. Guests can also relax by the outdoor pool bar, sipping handcrafted cocktails and enjoying light bites while taking in the coastal breeze.

For complete relaxation, the Riverside Spa & Wellness Centre offers a tranquil retreat on-site. Guests staying at The Riverside Hotel receive complimentary access to the Wellness Centre, allowing them to unwind and make the most of their stay. Visitors can also treat themselves to pampering massages, revitalizing facials, tailored wellness packages, and full salon services.

Surrounded by lush greenery with refreshing river and ocean views, The Riverside Hotel offers the perfect balance of relaxation, convenience, and hospitality. **We look forward to welcoming you to your resort in the city.**

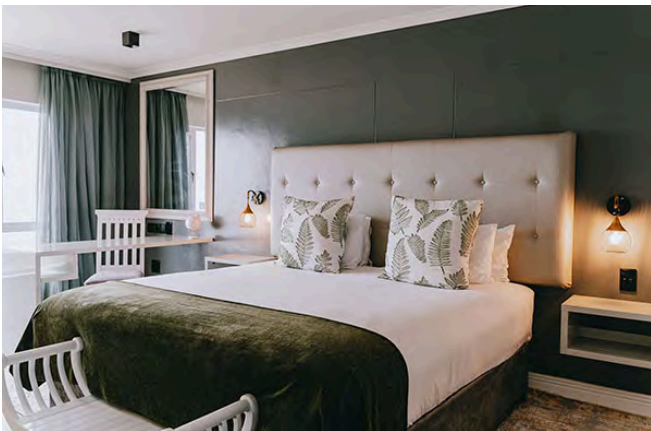

ACCOMMODATION

Experience seamless comfort in every room, featuring private en-suite bathrooms, individual air conditioning, and convenient semi-self-catering facilities complete with a microwave, mini-bar fridge, and complimentary tea and coffee station. Whether you're unwinding with premium DStv channels or enjoying the comfort of your private space, every room is thoughtfully designed for ease and relaxation.

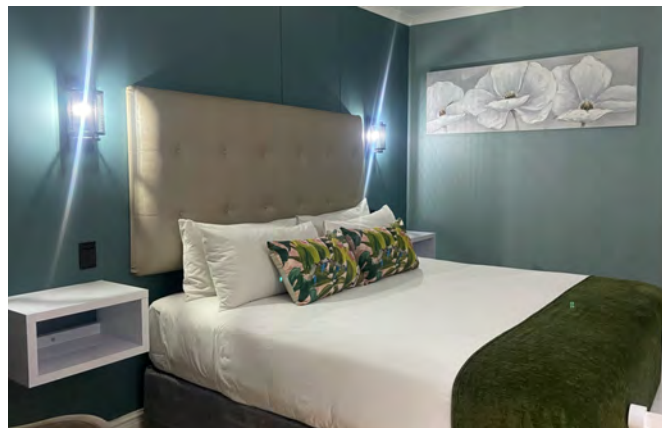

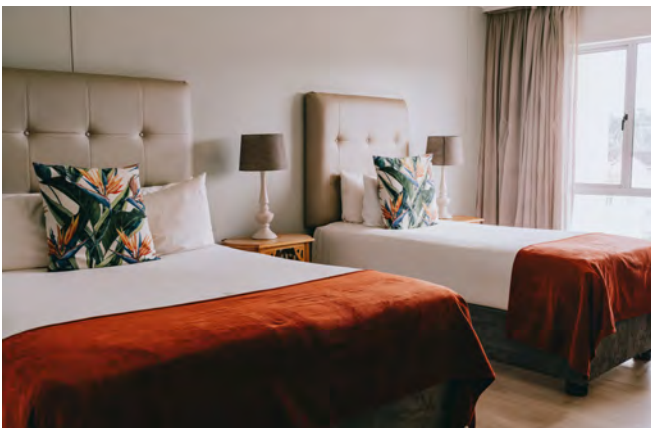

Enjoy effortless convenience throughout your stay with dedicated wake-up calls and accessible AC plug points. With our 500kVA backup generator, you can rest assured that power interruptions won't disrupt your stay. Our borehole water supply also provides a reliable water source, helping to ensure continued access to water during municipal supply interruptions or shortages.
